02 / CONCEPT & ORIGINS

Four extended musical “stations” alternate with four shorter “routes”. The stations refer to locations along the tourist route named after Godfrey of Bouillon; the connecting pieces also incorporate field recordings of passing vehicles. Following the debut EP 1st Attempt (2023), the album marked a move towards a larger conceptual format.

03 / PRESS RECEPTION

Reviews published in 2024 include **Whiskey-Soda** (grade 2), **Babyblaue Seiten** (10/15) and **Musikzirkus-Magazin**. Critics discussed its rhythmic character, Berlin School connections, krautrock elements and atmospheric development, while offering differing assessments of individual pieces.
